Thinking Ahead...

One fact of life is immutable and that is each of us will one day have to face death. Hopefully, that day will come peacefully at the end of a long and fulfilled life. However, whenever it takes place those who are left behind grieve and suffers a sense of loss.

Today's funerals are not only expensive, but their costs usually have to be paid immediately and in Cash, whether you live in the city or country. It therefore makes financial sense to plan and it demands a financial solution-

ZIMNAT FAMILY FUNERAL PLAN

Here are some advantages as to why one would want to buy a Zimnat Family Funeral Plan.

- It provides peace of mind knowing these arrangements have been made in advance.
- It avoids the burden on family members to make decisions when they are most vulnerable to manipulation.
- It helps the family to avoid taking loans, arranging finance plans, raiding savings or selling assets to pay for funeral and burial.
- It guarantees that if products and services currently purchased are not available in future equivalent substitutes will be provided.
